

1. What can you use offline to feel safe during you travel?
2. How can you keep in touch with your mates?
3. What enjoyable activity enriches your knowledge?
4. What can you do with your travel soulmate?
5. Where can you find a travelling companion?
6. Who can be very useful and helpful while travelling?
7. What helps you to know your location?

- A. There are some elements to enjoy and value in life: love, food, fashion, entertainment and travel. But some people consider only one to include the others. It is travel. With the mention of travel, your eyes glisten and your heart begins to pound. A favourite saying goes: 'A hopeful heart and an open mind are the best travelling companions'. During trips it's great to do your best to follow it. So, travelling can be experiencing and learning.
- B. You can't get lost in an unknown place with Travelling Companion Panorama Camera. It is an optimal tourist technology. This cutting-edge concept is a device that combines the capabilities of several different gadgets and aids that out-of-towners often find useful. You can hold this device in one or both hands and have a clear display in front your eyes. It can help you to map your routes, to discover places of interest and to record your trip.
- C. Those who love to travel, take every opportunity to ride on anything but enjoy the ways and the items at every stop. The most pleasurable feeling for them is when they have someone with whom they can share their happiness, with whom they can talk and relax. Nobody wants to be alone in the world and while enjoying something which one is very fond of like "travelling", one feels the need of the right kind of companionship.
- D. Travelling Companion is the best app for people who love travelling going. This app offers you great feature to help you find your destination as a guide. It can be downloaded on your iPad. It has ten different and beautiful themes. It includes a travel guide for your destination country, your full itinerary, and lists all your hotels and important contact numbers. All your documents and guides can be downloaded before your departure. The app works in offline mode, avoiding high roaming charges if you don't have a reliable Wi-Fi connection while travelling.
- E. We have a list of people willing to use vacation time from their job to accompany you on vacation. While none of our clients may need a doctor or a nurse to get around, all of our travellers enjoy the comfortable feeling of travelling with a companion who has professional education and experience. You can talk directly with each companion about your needs while travelling. An experienced travel companion can solve most problems in advance and handle other challenges as they arise.
- F. Technology is good for people because it helps them keep up with society. Facebook, for example, helps friends who have moved away from each other to still be in contact with one another, or it's an ideal place to find new acquaintances and make friends. What's more, you can see colourful pictures and videos of different cool locations from across the world. It can help you share the emotions with your friends. You can even join a Facebook group to have an opportunity to share all the awesome experiences and adventures your mates gained and learning they gathered.
